

# OCTOBER 2024

Welcome to the first Newsletter of our 2024/25 season, it is hoped to issue these monthly throughout the season so if you have any suggestions for content or items you would like to be included please let either Chris or Richard know

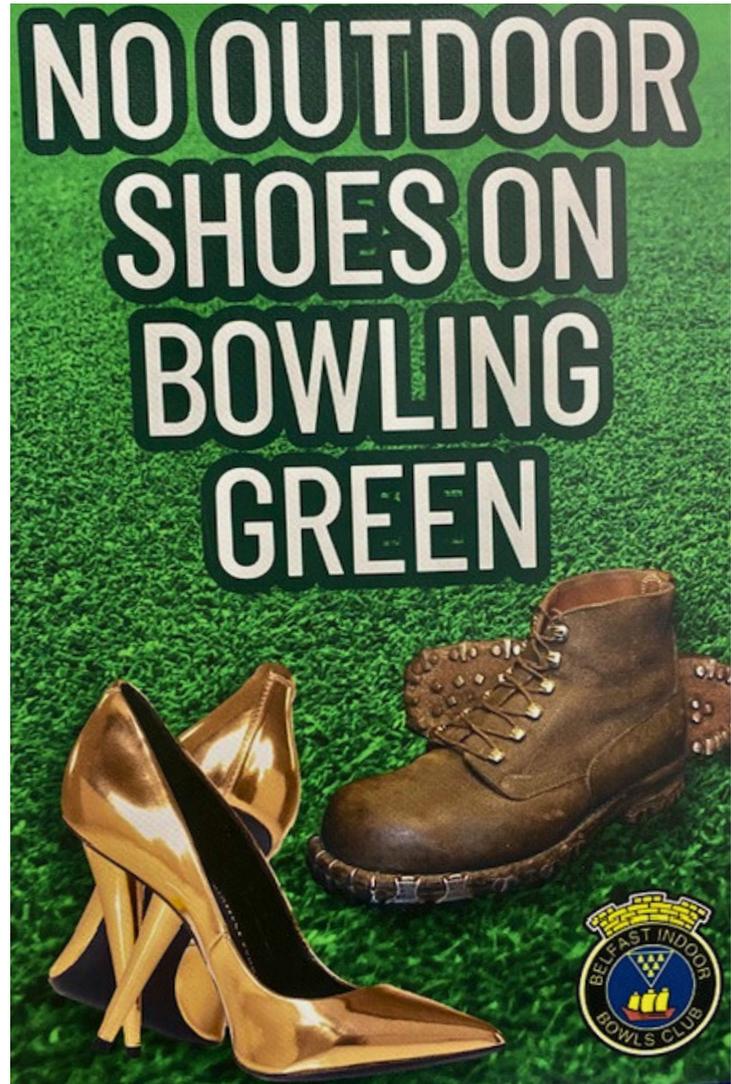

## Members

### WhatsApp Group

It is intended to set-up a WhatsApp group for our members to be able to keep you informed of the various events that are held in the stadium. This will include Social events as well as bowling competitions and we would ask for your support for these events. Our Social Committee are endeavouring to organise a range of different fun events to suit varying tastes

## CHARITY

Our chosen charity for this year is The **Children's Cancer Unit Charity** which is locally based. Please support our charity events for this worthwhile cause.

PLEASE NOTE ABOVE  
Please also refrain from wearing your bowling shoes from the car into the club as this also brings dirt onto the bowling surfaces which have recently been cleaned

## Xmas Lunch

Our restaurant has it's Xmas menu available so why not book a table for your rink and celebrate the festive season with us or organise a group booking for your outdoor or short mat club which can include bowling.

Book early to avoid disappointment

## Honours Boards

Our club has recently purchased a number of Honours Boards. These were to replace some of the existing boards which are full and provide new boards for our Senior Competitions. We have already sourced sponsors for a couple of the boards but would ask if any members are interested in sponsoring a board please speak to our Manager

Thanks to our members for returning again this season and a special thanks to those who introduced new members. For those of you who attended the AGM you will realise that, as costs keep spiralling upwards, our club needs NEW members to help meet these costs.

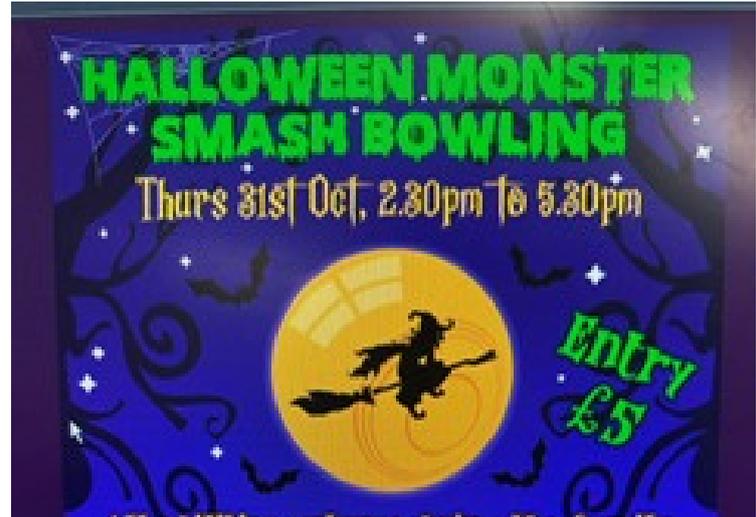

We are once again holding our Fun Rinks, please see details below - open to all
